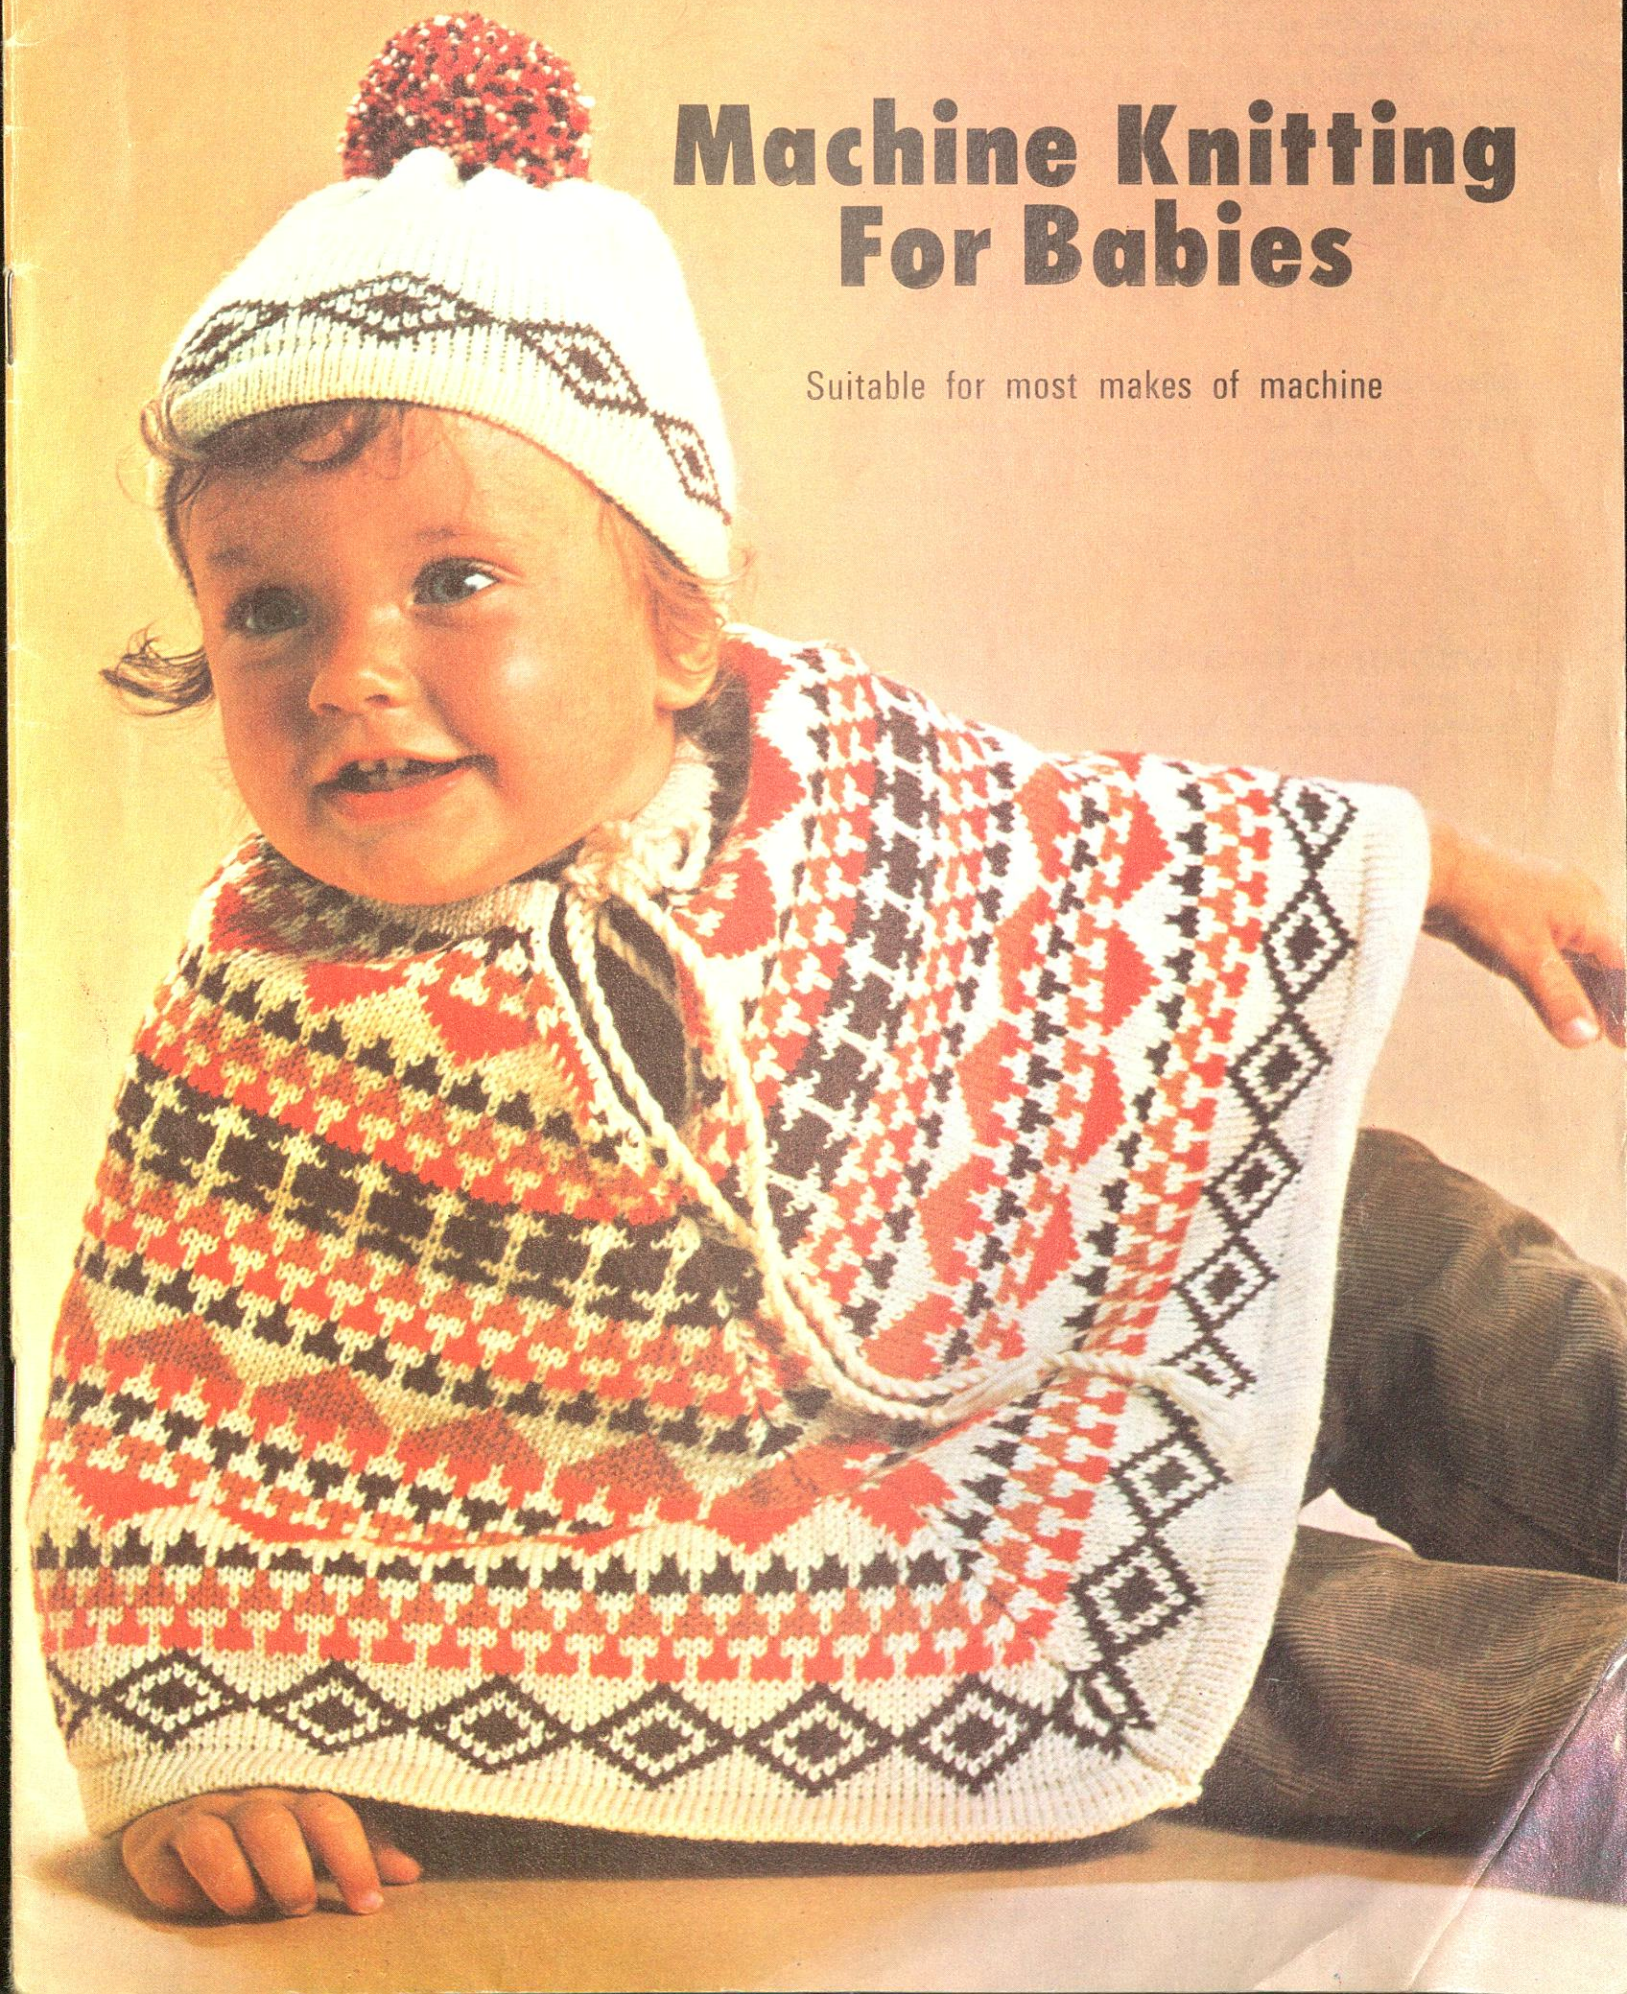
Machine Knitting For Babies

Suitable for most makes of machine



Patterns with Charts

To knit the patterns with charts on a fully automatic machine it is necessary to punch a pattern card. Punches and blank cards for this purpose can be obtained from your usual dealer. The instructions provided with the punch explain the relationship between the punched holes and the knitting; for example for a 2-colour or fairisle stitch read the punch kit instructions to see whether a hole represents the main colour or the contrast colour. For tuck or slip stitch patterns read the punch kit instructions to see whether a hole represents the stitch which is knitted normally or the stitch which is to be tucked or slipped.

Where the chart states that you should knit a given number of rows with the needles set in a particular way it is necessary to punch all these rows on the card.

Where the chart is given as 2, 3, 4, 6, 8 or 12 stitch repeat this must be repeated across the card bearing in mind the position of the centre stitch.

measurements

To fit baby 3 to 12 months old.

fairisle tension

30 sts and 38 rows = 10 cms [4 ins] square measured over fairisle pattern. Try T8.1.

poncho

Note: For fairisle pattern work the 13 rows of Chart 1, then the 58 rows of Chart 2. Repeat from row 1 of Chart 2.

Using waste yarn cast on 199 sts and knit a few rows. Change to colour A. Tension 3 numbers tighter than main. Knit 8 rows. Knit 1 row at loosest tension for foldline. Tension 2 numbers tighter than main. Knit 8 rows. Make a hem and knit the row.

000. Main tension. Working in pattern knit 2 rows. *Dec 1 st at each end of next 2 rows. Knit 1 row*. Rep from * to * 26 times more. 91 sts remain. Dec 1 st at each end of next 14 rows. 63 sts remain. Break yarn, knit a few rows in waste yarn and remove work from machine. Bring 48 needles to W.P. Replace work on machine placing *1 st on each of first 2 needles and 2 sts on next needle*. Rep from * to * to last 3 needles, place 1 st on each of last 3 needles.

Tension 2 numbers tighter than main. Using colour A only knit 6 rows. Knit 1 row at loosest tension for foldline. Tension 3 numbers tighter than main. Knit 6 rows. Cast off loosely.

Work a second piece the same.

to finish

Press pieces according to instructions on page 19. Join seams leaving a 10 cm [4 inch] opening on front seam. Turn hems at top and bottom to inside and slip stitch in place. Using medium sized crochet hook and colour A work 1 row of firm dc along each edge of opening, leaving ends of hem open. Make a draw-string using 4 lengths of colour A about 305 cms [120 ins] long. Twist together very firmly. Fold in half and allow to twist upon itself. Knot ends firmly. Thread draw-string through hem at top of poncho. Press seams.

hat

Using waste yarn cast on 117 sts and knit a few rows ending with carriage at right. Change to colour A and tension 2 numbers tighter than main. Knit 8 rows. Knit 1 row at loosest tension for foldline. Tension 1 number tighter than main. Knit 8 rows. Make a hem and knit the row.

000. Working in pattern knit the 13 rows of chart 1. Break off B and continue in A only. Knit straight to 50 rows. *Do not break yarn. Knit a few rows in waste yarn, remove work from machine and replace, placing 1 st on first needle, then 2 sts on each needle to end*. 59 sts. Knit 6 rows. Rep from * to *. 30 sts. Knit 2 rows. Remove work from machine. Thread yarn through remaining sts, draw up firmly and fasten off.

to finish

Press according to instructions on page 19. Join back seam. Make a pom-pom and sew to top of hat.

general notes

correct tension

For a perfect fitting garment it is very important that you achieve the correct tension. The tension numbers given in the instructions are intended as a guide only and should always be checked.

To check each pattern tension cast on about 60 sts and knit about 20 cms [8 ins] using the tension suggested in the instructions. The knitting must now be allowed to relax completely. If the yarn used is a wool or wool/synthetic mixture, it will help the yarn to relax if steamed thoroughly **without allowing the weight of the iron to rest on the work.** Mark with pins the number of stitches and rows as stated in the instructions to give 10 cms [4 ins] square. If this does not measure **exactly** 10 cms [4 ins] square, work another tension piece 1 or 2 degrees tighter (if the piece is too large) or 1 or 2 degrees looser (if the piece is too small). Continue in this way until you find the correct tension.

Having knitted your garment leave the pieces for as long as possible before sewing.

pressing

For wool: Steam pieces thoroughly without allowing the weight of the iron to rest on the work. While work is still damp pin out to size, press lightly and allow to dry.

For synthetics: Press lightly using a warm iron and a dry cloth except where manufacturers state that yarn should not be pressed.

hems on S.B. machines

When taking needles back to N.W.P. at the start of a mock rib hem, do not take the last needle back even if this means that the last group of needles will have one too many. This will ensure that you keep the correct number of stitches after the hem.

When making a hem on the machine, it is most important that the loops are replaced onto the needle directly above and not allowed to move over. If the loops are not placed on the correct needles the hem will appear to slope to one side.

abbreviations

Alt =alternate; beg = beginning; cms = centimetres; inc = increase; ins = inches; dec = decrease; rep = repeat; sl = slip; st = stitch; sts = stitches; tog = together; D.B. = double bed; H.P. = holding position; N.W.P. = non-working position; 000 = return row counter to 000; S.B. = single bed; W.P. = working position.

crochet terms

Important: In all crochet, pick up both the top threads of each stitch unless otherwise stated.

Chain (ch) = Make a slip knot, insert hook, *take yarn over, draw yarn through loop*. Repeat from * to * for each additional chain.

Slip Stitch (sl st) = Insert hook into next st, yo and draw through st and look on hook, (1 sl st made).

Double Crochet (dc) = Insert hook into next st, yo and draw loop through, yo and draw this loop through the 2 loops on hook, (1 dc made).

Half Treble (h tr) = Yo, insert hook into next st, yo and draw loop through, yo and draw this loop through all 3 loops on hook, (1 h tr made).
